

School Challenge

The school challenge is a worksheet competition between the classes.

How tall are you?

This wall lets the students measure how tall they are as they grow!

Phonics Frogs

Pictures of how the English ABCs sound and a mirror so the students can match it.

Australia Friends!

Okuno Elementary School has a sister school in Australia! Called Orange Anglican Grammar School! They use the event space to video chat!

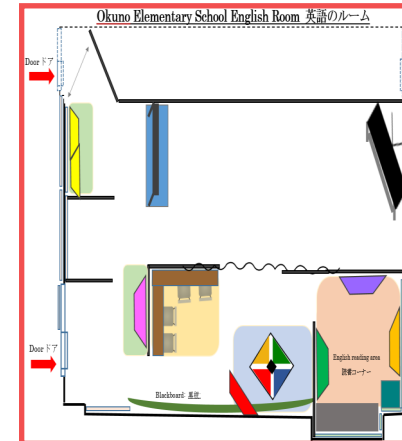

Let's Talk in English!

They often video chat with Okuno Students, speaking English and Japanese.
